

# SEMI WOMEN OF THE ELCA

## ENDOWMENT FUND

In 2005 the SEMI Women of the ELCA raised the required amount of money to establish a named Endowment Fund for seminary students. This Endowment will be managed by the ELCA Fund for Leaders in Mission. Scholarship priority will be given each year to SEMI seminarian student/s applying for financial aid through the ELCA Fund for Leaders in Mission. If the case arises that there is not a request from a seminarian in our synod in a particular year, Leaders in Mission have the authority to direct our scholarship to another applicant.

This Endowment Fund is perpetual, that is, ongoing into the future. It is a very special opportunity to make a difference in our church and society by supporting new ministry candidates. We ask our people to support this significant initiative financially by:

- Holding a special offering for Fund for Leaders in Mission/SEMI W/ELCA Endowment Campaign.
- Donating the proceeds, or portion of the proceeds, from your annual fundraising events.
- By private donations to the SEMI Women of the ELCA Endowment Fund.
- Remember to check with Thrivent for matching funds.

Mail this form and your check payable to SEMI Women of the ELCA, (notation - Endowment Fund) to:
